skim the book of acts and you'll find a church that's bold energetic empowered unstoppable a church in fact that looks nothing like the one we have today little wonder so many believers jump from congregation to congregation searching in vain for the real thing in the church ken hutcherson reveals how god's original intention for his church has been distorted under stifling layers of tradition denominationalism racism and fear only when we strip away those layers will we discover god's unchanging heart for the church and his unchanging will for us to be a people of truth of power of reconciliation and of love

pastor ken hutcherson calls us to the book of acts to find a church that's bold energetic empowered and unstoppable and shows how believers can transform today's church according to god's holy plan

in his newest book award winning environmental journalist david steinman makes sense out of the tangle of issues surrounding climate change he provides clear simple steps we can all take to make more responsible environmental choices in our everyday lives from the food we put on our tables to the products we use in our homes and the cars we buy he shows for example how changing even a simple habit of driving to the grocery store to ordering food online can save almost 900 miles a year reducing both traffic congestion and petroleum emissions steinman traveled the country from his home base in california through the united states to talk with farmers businessmen professors housewives counter terrorism experts and many others to find the link between environmentalism conservatism patriotism and national security he reveals how our reliance

on petroleum based products and chemical pesticides negatively impacts our health our national security and our planet he presents a number of fascinating anecdotes and case studies about people and companies working to live green using ecological wisdom as the basis for their decision making in the process improving everything from their children s iqs to their company s bottom line

an invaluable resource for shoppers in the fastest growing segment of the new vehicle market this reference provides information on the best buys up to date prices hands on reviews and shopping tips and features profiles on more than 60 new sport utility vehicles
