central to god's character is the quality of holiness yet even so most people are hard pressed to define what god's holiness precisely is many preachers today avoid the topic altogether because people today don't quite know what to do with words like awe or fear r c sproul in this classic work puts the holiness of god in its proper and central place in the christian life he paints an awe inspiring vision of god that encourages christian to become holy just as god is holy once you encounter the holiness of god your life will never be the same

according to willis confusion about god's holiness is due to the mistake of treating transcendence and immanence as opposites and subsuming holiness almost exclusively under god's transcendence to correct this view willis begins with the cross and resurrection where the transcending one is freely immanent to fulfill god's covenanting purposes god says willis is not so much the wholly other as the holy other who confronts us as purifying love willis looks in detail at several facets of holiness love simplicity communion beauty he shows that when we recognize beauty to be an essential aspect of holiness we can better reconsider frequently given definitions of the glory and the sovereignty of god and can better understand something of the awe filled love that this beauty inspires finally willis explores how the holiness of god provides the basis for the life of christian faith and hope in today's world from publisher's description

do you want to feel whole but too often feel pulled in different directions do you want to be holy but think it's beyond you we tend to associate holiness with striving and restriction but what if a holy life were really about being set free from all our burdens in the utter relief of holiness john eldredge teaches that rather than being a daunting or distant ideal holiness is in fact an expression of the healing of our humanity eldredge believes that we can be set free from all that plagues us the inner struggle with anger or contempt or habitual sins to find the genuine goodness that is available to us in jesus christ wise gentle and rooted in the bible the utter relief of holiness guides the reader along the paths god leads us to make us whole and holy by his love

Gammie's careful study represents an important theological resource for our own work. The holiness of God is clearly not simply an antiquarian concern. Our uneasiness with such a theological emphasis is surely reflective of the urgency of that very assertion: God's holiness, marked by majesty for God's self and by passion for the justice of the world, takes on power and urgency in the face of our own life issues. The holiness of God is urgent in the face of profanation which empties life of larger passion and dignity. The holiness of God is urgent in the face of pervasive brutality which trivializes God's purpose and abuses God's world. The holiness of God is urgent in the face of the growing authority of technique which diminishes mystery that keeps life open. Israel struggles to speak aright about God. From the editor's foreword by Walter Brueggemann.

Written in an accessible devotional style, this work synergizes scriptural insights with practical applications, urging readers to pursue a life that reflects the character of Christ. Murray's theological reflections delve into the concept of sanctification, weaving together biblical narratives and personal anecdotes to underscore the transformative power of divine connection. All while rooted in the Puritan and Keswick movements that emphasize the deeper life through spiritual surrender. Andrew Murray, a South African pastor and writer in the 19th century, dedicated his life to serve Christ and promote holiness among believers, which undoubtedly influenced his writing and ministry. His background in theology and pastoral experience, particularly amidst the revivalist traditions of his time, shaped his deep understanding of spiritual disciplines and intimacy with God. the way of peace and the way of holiness lie side by side or rather they are one that which bestows the one imparts the other and he who takes the one takes the other also the spirit of peace is the spirit of holiness the god of peace is the god of holiness if at any time these paths seem to go asunder there must be something wrong wrong in the teaching that makes them seem to part company or wrong in the state of the man in whose life they have done so they start together or at least so nearly together that no eye save the divine can mark a difference yet properly speaking the peace goes before the holiness and is its parent this is what divines call priority in nature though not in time which means substantially this that the difference in such almost identical beginnings is too small in point of time to be perceived by us yet it is not on that account the less distinct and real the two are not independent there is fellowship between them vital fellowship each being the helpmeet of the other the fellowship is not of mere coincidence as in the case of strangers who happen to meet on the same path nor of arbitrary appointment as in the case of two parallel roads but of mutual help and sympathy like the fellowship of head and heart or of two members of one body the peace being indispensable to

the production or causation of the holiness and the holiness indispensable to the maintaining and deepening of the peace preface of horatius bonar

if there is anything that characterizes god's people in america today it is the loss of the fear of god states henry blackaby when you do not fear god he contends you will not fear sin the troubling result of this issue is that many christians fail to recognize that they have sinned against god the lack of holiness within the church has reached epidemic levels true revival can only come notes blackaby when the people of god return to a healthy holy fear of him god in his holiness is grieved by our lack of it in this worthy book blackaby urges believers to look inward to see sin from god's perspective and to live to the standard that he has set in scripture he writes the salvation of the nation has little to do with washington or hollywood it has to do with the people of god as referenced in 2 chronicles 7:14 blackaby notes that the redemption of america lies in the repentance of the people of god he challenges readers by adding if america depended on your prayer life would there be revival revival waits on the holiness of his people this book provides the path that will lead us back

be holy as i am holy says the lord it's the most extravagant and audacious invitation ever sent or in the words of jesus be perfect as your heavenly father is perfect but can that really happen is holiness an achievable goal for sinful human beings that's the ultimate focus of this thoughtful thorough and engaging study of what it means to be holy drawing on the bible and christian thinkers through the ages simon ponsonby affirms that because of god's gracious love and desire for communion with us he has done what is possible for us not only to pursue holiness but to achieve it while we can never count on attaining moral perfection in this life we need not settle for less than increasing victory over sin and as more and more christians choose to partner with god in the ongoing process of sanctification we set the

stage for revival
